INTRODUCTION: SPW high-tech industries established in 2020, with an aim to revolutionize the plastic furniture industry, with the Brand name of “SAAB” Primarily focusing on Customer orientation and Satisfaction. We inherit all the attributes of a pioneer with a solid experience of 30 Plus years in plastic furniture industry. SAAB Offers an extremely wide range of aesthetically superior indoor and outdoor products, with innumerable color variation in plastic materials like Polypropylene, Fiber glass, UPVC and latest trends like transparent polycarbonate or glossy nylon, with strong technical characteristics specifically designed at our compounding unit continuously undergoing the process of “Trail and Error” in our quality control Labs. This gives our Products inimitable quality such as Strength, Flexibly and Resistance to atmospheric agents

Our product collection includes Full Plastic Chairs (Garden Furniture & Public Chairs) Steel Plastic Products (Steel Plastic Chairs & Tables, Bar Stools) Revolving Chairs (Executive Chairs, Office Furniture & Computer Chairs) Public Sofa (Waiting Area Furniture) School Furniture (Study Chairs, Study Desks & Study Furniture) Snack Tables (Folding Tables, Computer Tables, Plastic Tables & Coffee Tables) Baby Furniture (Kids Collection) Household (Flower Pots, Plastic Stools, Dustbins) Waste Management Products (Big Dustbins & Waste Bins) Crates (Standard Crates, Stackable Crates & Lid Crates) all designed to be multi-purpose, user friendly and with an indisputable style. Our Goal is to be Your companion for life and we aim to provide you one stop solution for all your needs.

Our strict compliance with international quality standards will ensure that your requirements will always be met. We at SAAB Moulded Furniture will continue to improve on product quality and design while emphasizing on Cost control, Customer service and Flexible business strategies that will Strengthen our partnership, Soaring the greater heights in field of plastic furniture products.
